The Photo Team officially established itself as a company in 2011 and has gone on to become one of the leading professional photography and videography companies in London. We pride ourselves on delivering quality and ensuring the highest level of customer service is delivered at an affordable price.

We are a team of highly trained, experienced, and motivated professional photographers and videographers who aim to consistently deliver a high-quality service for clients across the UK and internationally. The Photo Team provides amazing pictures and engaging videos for conferences, exhibitions and corporate clients covering a variety of events. All our professional services are tailored to each individual event, our photography and video capture for all events is unique, and we use our collective experience to benefit your event.

Whether it be for a company conference, a product launch, an awards event, a high-profile event, corporate headshots, party or gala dinner celebration, you can trust The Photo Team to deliver 100%. Our mission is for our clients to be completely satisfied with our professional services and outputs, which will leave a lasting memory for years to come as well as creating the impression that you envisioned. Our communication, skill, experience and flexibility are what we will bring to your event.

If you hire The Photo Team the photo and video element is one aspect of the event you won't need to worry about, we will be there every step of the way, supporting, guiding, and advising, and this is what makes us unique.

We Listen, Understand, Engage and Converse with our clients and with over **35 years** of combined professional event experience and a 100% track record of client satisfaction, we are confident we will exceed your expectations. Remember with us, you get the support of a full team. We are a large team of fully trained, experienced, and employed professional photographers and videographers. All our team members are appropriately supported with back office administrative staff to ensure a seamless service.

Conferences

We have covered conferences all over the UK for several different clients, with experience at all major conference venues. Whether you need a team or just one photographer we can provide a bespoke solution to meet your requirements.

Corporate

The Photo Team has a long history providing photography solutions for corporate clients, we have the necessary experience, skill and understanding to ensure you are provided with the images to exceed your expectations.

Exhibitions

We have photographed for exhibitions all over the globe for a variety of different clients, from business Expo's to International Meeting Shows, we can capture the stand and exhibit perfectly, together with the important interactions that occur on the stand.

Meetings

The Photo Team has been trusted to capture some of the most important meetings in the UK, from attending the House of Common to Political Annual Conferences, we have also been responsible for photographing key individuals like the UK Prime Minister, as well as other key political leaders and country ambassadors from around the world. From Board meetings to large company meetings, we have the experience to capture pictures discreetly and in confidence.

Gala Dinners

The correct capture of a Gala Dinner is important and is the key party of any organisation. The Photo Team can photograph the event using their year's of experience. Whether it is a sit-down meal or a buffet, we will photograph all elements from the guests, the entertainment, to the food.

Awards

The Photo Team has combined experience of photographing awards ceremonies for over 35+years, from small intimate events to large events with over 8,000 attendees, we have the experience, skill, technical understanding and resources to professionally capture your award's event.

Parties

From Corporate parties to social parties The Photo Team has the flexibility but precision to provide amazing pictures at all types of parties. We will capture candid pictures, as well as those all-important posed shots of the guests and the hosts. Discretion comes as standard.

Team building

Team building event coverage from indoors to outdoors photographed professionally by The Photo Team. We have a lot of experience working with companies at team events, our bespoke solutions can be booked in confidence knowing we will deploy the correct resources to ensure your event is documented properly.

Headshots

Whether you are after the gold standard white backdrop headshot or the more natural looking corporate headshot The Photo Team can capture all portraits professionally. Our mobile studio with professional lighting can fit into the smallest space, meaning it is perfect for on location shoots.
